Pryor's Price List, Season 1931

Strawberry plants are a short crop this season on account of the drouth last summer, and prices are much higher so I am issuing no catalogue—just this price list—this season. I also will do but little advertising in the farm papers. This means quite a saving and I am passing it on to my customers in better prices. Plants are of usual high quality, well rooted, and true to name.

EARLY VARIETIES

	25	100	250	1000
Premier (per)	\$.45	\$1.10	\$2.00	\$6.00
Howard 17 (per)45	1.10	2.00	6.00
